Lesson policies:

Morningside is proud to offer the most flexible lesson policies compared to any other music school in the area. You are welcome to cancel your lesson as long as you give the teacher 24hrs. notice. While it is ok to cancel as needed for appointments, vacations, business travel, etc., we expect students to make most of the weekly lessons out of respect for the teachers, who have reserved a slot for you and need to earn a living. So, without the 24 hr notice, you will be billed for the lesson. Too many absences could result in a policy change. Make-ups are possible if timing can be worked out with the teacher. Thanks for your patronage and cooperation.

Covid protocols:

We will continue to follow CDC guidelines about masking indoors.
